MINISTRY OF EDUCATION — BY FUNCTIONS OF ITS OFFICES

(Major functions only)

The Ministry of Education provides overall direction and leadership in the management of education in British Columbia. The general objective of the school system is reflected in the following mission statement:

> ***"The purpose of the British Columbia school system is to enable learners to develop their individual potential and to acquire the knowledge, skills, and attitudes needed to contribute to a healthy society and a prosperous and sustainable economy."***

MINISTER OF EDUCATION

- Overall responsibility for the policies and programs of the Ministry

DEPUTY MINISTER OF EDUCATION

- Overall management of the Ministry
- Development of policy and legislation initiatives
- Acts for the Minister in his absence
- All Ministry communication to the Minister
- Development of Cabinet submissions
- Research and development project approvals
- Chairmanship of the Education Advisory Council
- Liaison with:
  - B.C. School Trustees Association
  - B.C. Teachers' Federation
  - Other education interest groups

Executive Co-ordinator

- Executive Committee — agendas, minutes and records
- Research and Development projects: inquiries, contracts, financial management, records
- Non-statutory grants: inquiries, correspondence, financial management, records
- Minister's briefing notes and speeches: co-ordination
- Communication, liaison, research
- Other tasks as assigned by the Deputy Minister

FINANCE AND ADMINISTRATION DEPARTMENT

General responsibilities

- School finance
- School facilities
- Ministry financial services
- Independent schools finance
- Management operations/admin. support services
- Women's programs
- Personnel/human resources
- Ministry resource services
- Budget development/analysis

Education Systems Finance Division

School Finance Branch

This Branch manages provincial education finance, funding and taxation systems and processes.

- School district funding/grants administration
- School district budgeting/accounting
- School taxation
- Financial policies, procedures, monitoring, auditing
- School district business administration
- Block funding
- Fiscal framework
- Administration of the debt service payments
- School enrolment audits
- Financial management system review

School Facilities Branch

The Branch manages provincial aspects of the facilities and transportation components of the education system. This includes developing and administering standards for construction and monitoring the effectiveness of expenditures. The Branch assists school districts in planning their capital programs by providing funding and direction in specific areas.

- School facilities management planning/coordinating
- Schools capital program
- Student transportation systems
- Community – urban planning matters
- School closure and opening guidelines

Management Services Division

Administrative Services Branch

The Branch plans, organizes and monitors internal Ministry programs or services.

- Telecommunications
- BCBC matters
- Insurance services
- Mail services
- Office maintenance/operation/support
- Ministry resource services
- Photocopying/FAX administration
- Health and safety
- Records management
- Distribution services

Personnel Services Branch

The Branch develops, implements and administers human resource programs and policies within the Ministry.

- Staffing plan
- FTE management
- Performance appraisal
- Staff training programs/human resource development (continued)

- Recruitment selection
- Personnel policy, procedures, directives
- Incentive/recognition programs
- Staff liaison
- Women's programs
- Labour relations
- Employee relations
- Gender equity program

Financial Services Branch

The Branch is responsible for most financial operations of the Ministry.

- Accounting and payroll services, including:
  - Payment for goods and services
  - Payroll
  - Payment of billings for seconded district staff
  - Contract management
  - Independent schools finance
- Budget development and analysis, including:
  - Coordination of development of the Ministry budget
  - Reallocation procedures
  - Variance reporting and F.T.E. monitoring

INDEPENDENT, NATIONAL AND INTERNATIONAL EDUCATION DEPARTMENT

General responsibilities

- Independent schools programs
- Council of Ministers of Education, Canada
- National education
- International education
- Evaluation/accreditation/standards
- Home schooling
- Correspondence education
- Distance education
- Adult/continuing education
- Pacific Rim
- Canada Employment and Immigration Commission

Independent Education Division

Independent Schools Branch

The Branch registers and classifies independent schools, determines the annual funding of qualified schools, evaluates independent schools, and is responsible for teacher certification for independent schools.

- Evaluation and classification of independent schools;
- Government support grants to qualifying independent schools;
- Teacher certification for independent schools;
- Independent School Act.
- Field administration/support services
- Program development/implementation
- Standards/accreditation
- Monitoring/auditing
- Student assessment
- Professional relations

Distance Learning and Continuing Education Branch

The Branch ensures quality learning opportunities are provided to distance learners.

- Ensures quality courses and appropriate learning resources are provided to regional correspondence schools for distance learners
- Coordinates and sets policy and administrative guidelines for the regional correspondence schools (continued)

- Correspondence education
- Distance education
- Home schooling
- Adult/continuing education

National and International Education Division

International Education Branch

This Branch coordinates the Pacific Rim Initiatives program and international and interprovincial teacher and student exchanges.

- Pacific Rim programs
- Teacher exchanges (international and interprovincial)
- Student exchanges (international and interprovincial)
- International study programs
- Marketing/promotion
- Inter-agency coordination
- B.C. student selection offices in Pacific Rim

National Education Branch

This Branch coordinates the Ministry's participation in national activities.

- Council of Ministers of Education, Canada
- Canadian Education Association
- Canadian Association of Principals
- Inter-provincial matters
- Liaison – Advanced Education, Training
- Canadian Statistics Council/National Educational Indicators
- Liaison – federal government
- C.E.I.C.
- Shad Valley program

POLICY, STANDARDS AND COMMUNICATIONS DEPARTMENT

General responsibilities

- Policy/planning
- Education Advisory Council
- Legislation
- Communications
- Information management
- Inter-ministerial coordination
- Data systems administration
- Student data records
- Program evaluation/research
- Student assessment/exams
- School accreditation

Communications and Information Management Division

Information Management Branch

The Branch is responsible for: preparing provincial level reporting on the effectiveness of educational programs in British Columbia; the administrative operation of the examination, transcript and data collection programs; and providing Ministry managers and staff with access to various technologies and services.

- Data administration
- Student data/records/transcripts
- Systems services
- Statistical services/reports/publications
- Reporting of systems performance/monitoring systems
- Internal research
- Education indicators (continued)

- Administration and reporting of provincial and scholarship exams
- Provincial and district scholarships and awards
- Provincial transcripts and Dogwood Diplomas
- Standard data reports
- Monitoring and reporting changes to computer and other technology
- Provision of direct access to strategic information
- Operation of Ministry "systems"
- Implementation and support of word processing and electronic mail products
- Research projects (enrolment projections, tracking of students who have left the school system, and teacher retention)

Communications Branch

The Branch develops and maintains a comprehensive communication program for the Ministry.

- Identification and organization of opportunities for marketing and managing Ministry information
- Developing joint communication programs with shareholder groups
- Issue management
- Media liaison and news releases
- Coordinating production, printing and distribution of publications, newsletters, etc.
- Public relations media analysis/communications
- Graphic services
- Field liaison
- Inter-ministerial coordination
- Regional coordination

Policy, Planning and Legislation Division

Legislative Services Branch

The Branch coordinates the ongoing review of legislation and administers the legislative proposal/amendment and order-in-council processes.

- Legislation and legislative policy
- Regulations
- Orders
- Guidelines/monitoring
- Liaison with Attorney General Ministry
- Contracts
- Manual of school law

Policy and Planning Branch

The Branch supports the development of short and long term plans for the Ministry, supports the Ministry's policy development process, and ensures consistency of both with legislation and government initiatives.

- Ministry external policy
- Corporate policies
- Strategic planning
- Demographics
- Environmental scan

Assessment, Evaluation and Standards Division

Assessment, Examinations and Reporting Branch

The Branch manages provincial programs which enable learners to demonstrate their achievements through provincial examinations, learning assessments and related programs.

- Learning assessment programs
- Provincial examinations
- Provincial scholarships/awards
- Testing and assessment
- Passport to Education
- G.E.D. program
- Development and facilitation of student evaluation resources

Program Evaluation & Research Branch

The Branch is responsible for accreditation of all schools and evaluation of the implementation and efforts of the new education programs.

- Program effectiveness/accreditation
- School accreditation/assessment
- Education research services
- Evaluation of the implementation and effects on learners of the Primary, Intermediate and Graduation programs

EDUCATIONAL PROGRAMS DEPARTMENT

General responsibilities

- Curriculum/program development
- Field services
- Program support services
- Native education
- Special education
- Jericho Hill Provincial Resource Program
- Modern languages
- Multicultural programs
- Resources/materials
- Educational innovation
- Educational technology
- Gender equity

Program Development Division

Curriculum Development Branch

The Branch is responsible for the continuous development and revision of the Primary, Intermediate and Graduation Programs, including aspects of curriculum, assessment and reporting. The Branch assists the Learning Resources Branch in the identification of provincially prescribed and authorized textbooks and other learning materials.

- Primary Program
- Intermediate Program
- Graduation Program

Learning Resources Branch

The Branch coordinates the analysis, evaluation, selection, and, where appropriate, the development/production of print and non-print learning resources.

- Publication/learning resource services
- Provincial Media Centre services
- Education technology
- Acquisition, distribution and evaluation of learning resources (films, video tapes, software)
- Negotiation of duplication video and software rights
- Monitors the development of learning resources
- Acquisition and distribution of textbooks and other authorized resources
- Management of the Credit Allocation Plan
- Management of the School Library Book Purchase Plan
- Information on copyright, printing, textbook specifications, prebinding

Languages and Multicultural Programs Branch

This Branch organizes and develops all language programs, except English.

- Review, revision, development of curriculum and policy formulation
- Federally funded programs
- Multicultural programs
- Race relations
- Heritage languages
- English as a Second Language (E.S.L.)
- Mandarin Chinese, Japanese and other languages
- French as a second language; French immersion; Programme Cadre de Francais

Field Services Division

Program Support Services Branch

This Branch supports provincial implementation practices liaising with districts in the areas of program and curriculum implementation, teacher supply and demand, and school district governance, and with universities and other institutes in the delivery of professional and implementation activities.

- Field coordination – support
- Training/orientation – institutes/workshops
- Inter-agency functions
- Networks
- Education technology
- College of Teachers/teacher education
- Gender equity
- Support to districts:
  - summer institutes and region-based workshops
  - policy development and communication
  - aspects of small district governance.

Native Education Branch

The Branch develops education programs for Native Indian students, ensures the infusion of First Nations history and culture in all provincial programs, seeks to enhance greater cultural understanding throughout B.C., and develops teacher inservice training.

- Language and cultural programs
- Alternate programs
- Support services
- Inter-agency liaison
- Native studies
- Tuition agreements

Special Education Branch

This Branch develops and implements provincial guidelines regarding programs for exceptional children in British Columbia schools, coordinates the Special Education Technology project and is responsible for the Jericho Hill School for the Deaf, a provincial school serving the needs of approximately 110 hearing-impaired students.

- Special Education programs/services
- Special Education administration
- Provincial Special Resource programs
- Jericho Hill School programs
- Inter-Ministry Protocols
- Special programs monitoring/evaluation

Educational Innovation Division

Field Activities Branch

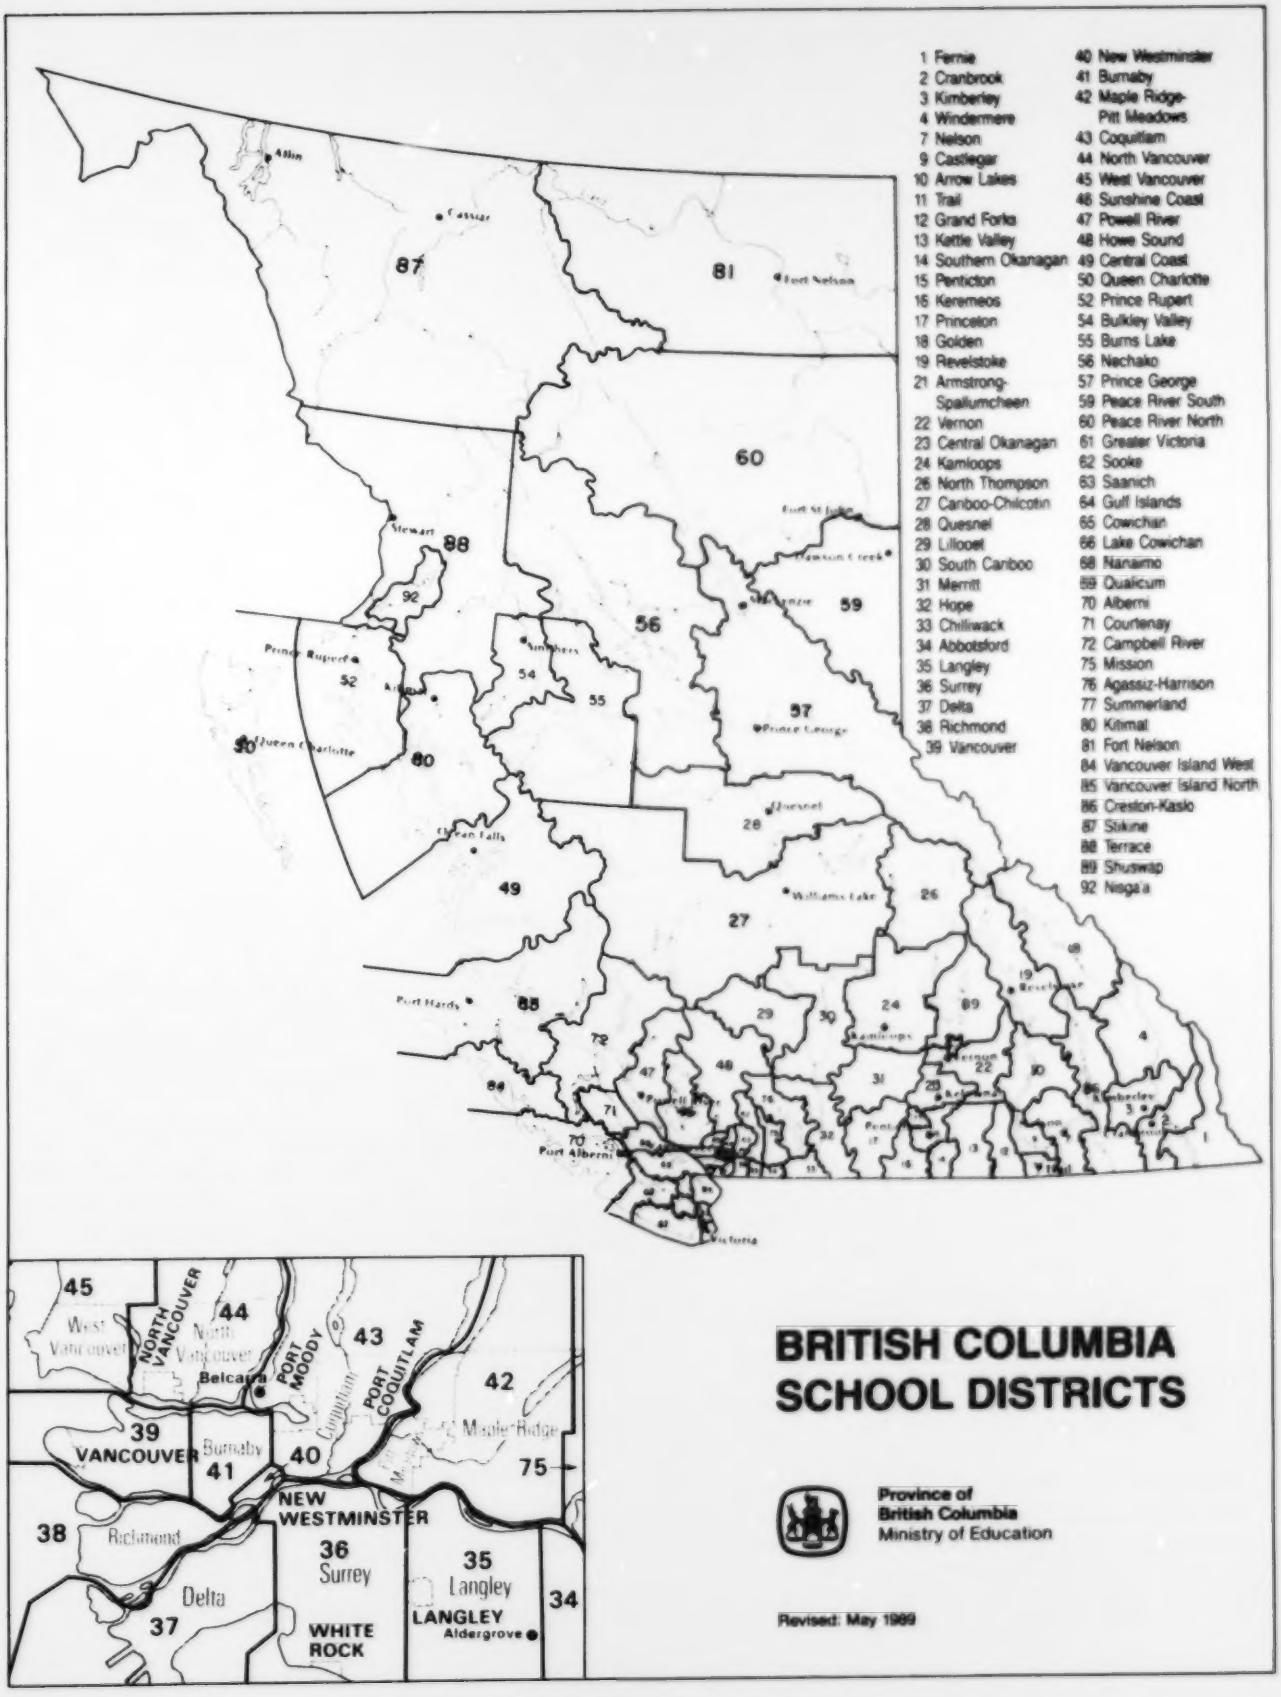
The Branch assists Ministry efforts in implementing new educational programs by focussing on field activities such as communications of initiatives at the classroom and administration level and by ensuring the establishment and maintenance of networks for information storage.

- Lead school programs
- Pilot/demonstration projects/models
- Networks
- Workshops/seminars
- Marketing/public relations/communications
- Community liaison

Innovation Planning Branch

The Branch assists Ministry efforts to implement new educational programs by focussing on parent and community support for initiatives and enhancing understanding of efforts to revise assessment practices and improve accountability at all levels.

- Organizational liaison
- Assessment/accountability
- Parent/community support programs



BRITISH COLUMBIA SCHOOL DISTRICTS

Province of British Columbia
Ministry of Education

Revised: May 1989
